

## **WORKING LUNCH INSTRUCTIONS**

Start by going around the circle allowing each member of the parish team to answer the following question:

- 1. Which day of the Paschal Mystery is most prevalent / poignant in your life at this juncture?**

For questions 2 and 3, assign one person to take notes and be prepared to share your group's reflections in the Grouping breakout sessions this afternoon.

Going around the circle again, consider question 2 as a group. When finished, repeat the process with question 3.

- 2. Determine, collectively, a point of particular pride and/or gratitude that you share with respect to your parish and her people.**
- 3. Determine, collectively, the day of the Paschal Mystery that is most 'at play' in the life of the parish, now.**

**Please be in breakout rooms no later than 12:45 p.m.**
