Ground rules for engagement

- Model respect, collaboration, and openness to the Spirit speaking through all of us
- Turn off/silence mobile devices
- Refrain from taking pictures or video recordings of slides or presenters
- Questions/comments are limited to 1 minute each to allow that the time shared among your fellow parishioners. One of the team members has been assigned as timekeeper and will keep us to that time.

Why are we here?

We are called

Where we were

Culture **was more Christian, open** to faith, **enabled** people to live out their faith, and **recognized** religion as avenue for spiritual life

Where we are

Culture **is more secular, ambivalent** to faith, **dissuades** people to live out their faith, and **undermines** religion as avenue for spiritual life

A decline in faith life

Mass attendance in our archdiocese has decreased by 27% over the past 20 years

Across the U.S., 2 in 5 children baptized are not confirmed

85% of children confirmed stop practicing their faith by age 21

Our Response

Called by Jesus Christ, we are

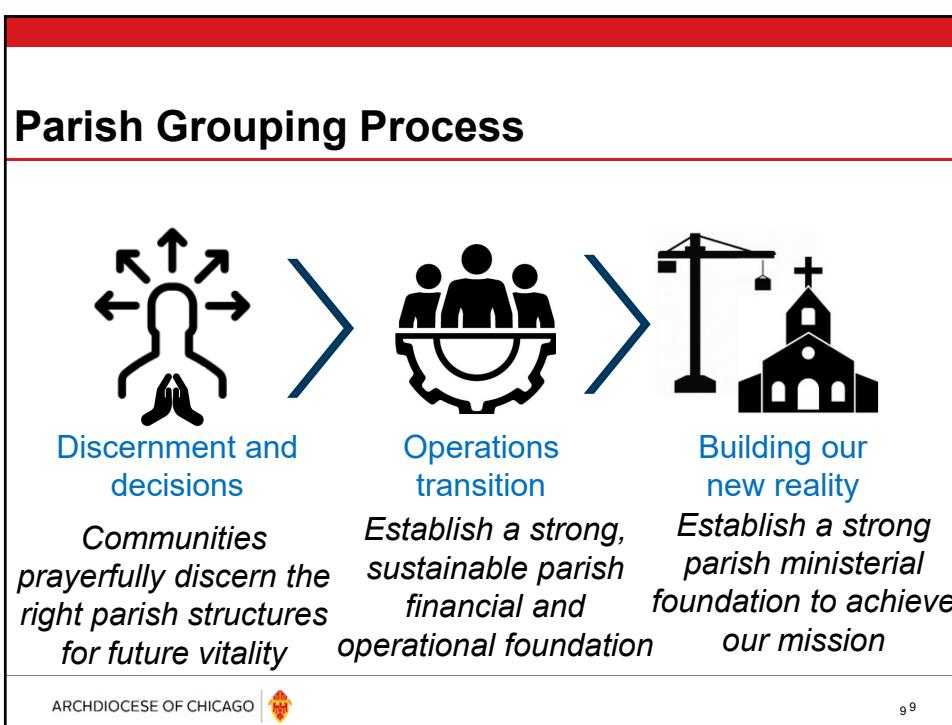

- Making disciples
- Building communities
- Inspiring witness

Overall goal for groupings

Build a renewed, vital, and sustainable Catholic presence for the good of all people in the collective communities within the grouping.

- What do we need to change structurally, given resource realities?
- How can we be more effective through collaboration?

9

Objectives of this phase of the process

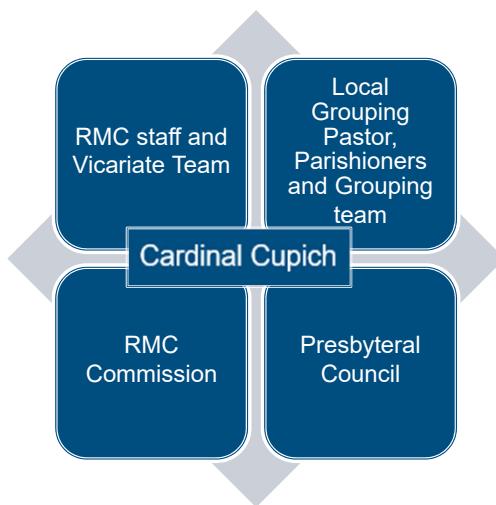

- Connect to the larger RMC vision and begin building toward a culture of evangelization
- Build relationships across communities within the grouping
- Understand the current realities in the local community
- Evaluate structural options for moving forward
- Tangibly: Provide the RMC Commission with a feedback report to help inform a recommendation for Cardinal Cupich

What are scenarios?

Scenarios = possibilities regarding new parish and school structures within the grouping that enable spiritual renewal among those communities.

Includes:

- **Status of the parishes and church buildings**, e.g.:
 - Remain in current parish structure
 - Unite with another parish and all church buildings remain open
 - Unite with another parish and some church building(s) close
- **School status** (i.e., remain open, close, merge with another school and explore multi-campus possibilities)

Possibilities ...

Key to remember

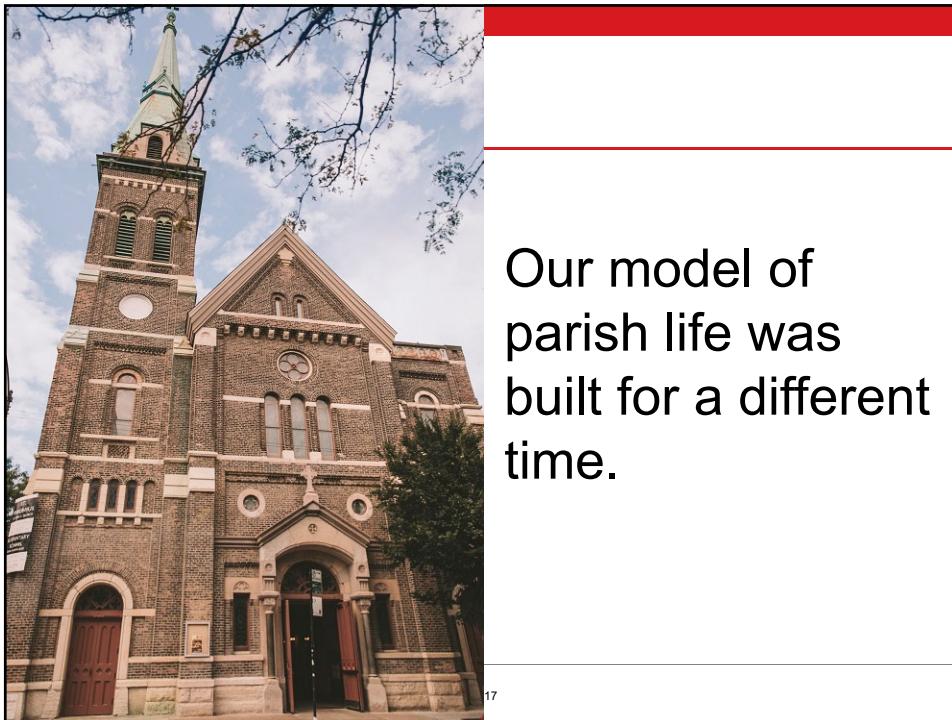

Our Renew My Church journey is both:

Spiritual - to re-encounter Jesus Christ
as disciples and parish communities

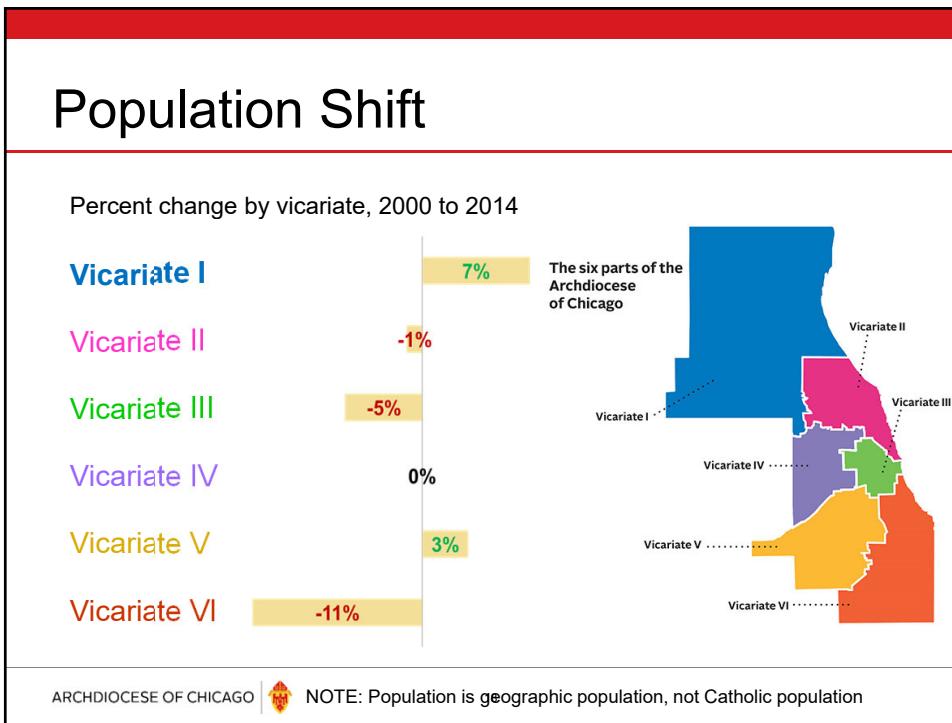

and

Structural - to ensure our parishes have
adequate resources for vitality

Why structural renewal?

Current realities

Before we can begin to consider grouping scenarios, we need to:

- Pause and consider current realities in our national Church, Archdiocesan Church, and in our grouping and individual parishes
- Identify our ministerial and operational strengths and challenges

Renew My Church Prayer

*Lord Jesus, you speak to us today,
as you spoke to holy men and women who
have gone before us.
In every age and in our own time, you call to us
and say: Renew My Church.*

Renew My Church Prayer

*Pour out the gift of your Holy Spirit upon us,
and so enable us to hear you clearly
to listen to each other attentively, to imagine our
future boldly
to discern your direction wisely, to persevere in
your holy will courageously
to stay together in charity, to surrender our own
plans readily
to embrace the greater good, to hand on your gifts
to future generations.*

Renew My Church Prayer

*May we remain in the holy company of
the Blessed Virgin Mary, the apostles, and all the saints.
May their example and presence inspire us with patient
confidence in the work of your grace.*
*We ask this of you who live and reign with the Father
in the unity of the Holy Spirit, one God,
forever and ever. Amen*
