RENEW MY CHURCH UPDATES
In case you missed the announcements last week...

- The merger of Queen of Angels Parish and our neighbors at St. Matthias Parish has been postponed by Cardinal Cupich from July 1 to August 1, due to the coronavirus pandemic.
- Monsignor Jim Kaczorowski has been appointed by Cardinal Cupich to be the Pastor for the new parish to be formed from Queen of Angels and St. Matthias parishes as of August 1.
- Temporarily, the new parish will be known as Queen of Angels and St. Matthias Parish until we can hold a process for naming the new parish.
- After consulting with the people of the parish and a final decision by Cardinal Cupich, a new name could be chosen or the temporary name could be adopted permanently.
- This coming week, Monsignor Jim will have a meeting with Father Larry McNally from St. Matthias and Bill Watt, our RMC Project Manager.

The last in-person meeting we were able to have for Renew My Church before all our buildings had to close down was on March 10 with the Parish Councils and Finance Councils of both parishes. At that meeting, it was agreed that one of the important steps in joining the two parishes is for parishioners involved in similar ministries to get to know each other. Though this work is made more difficult by the pandemic and social distancing requirements, phone calls and video conferencing can make it possible to take some first steps.

Leaders of parish groups at Queen of Angels who would like to be in touch with their counterparts at St. Matthias are asked to contact the parish office at 773-539-7510 or parish@queenofangelschicago.org.
NEW PRINCIPAL HIRED FOR 2020-2021 SCHOOL YEAR

Dear Parishioners,

I wish to begin by expressing how grateful I am for the legacy of leadership we have enjoyed at Queen of Angels School. I could not have asked for a better Principal than Mrs. Julia Kelly to welcome me to Queen of Angels in 2005 and work with me for the past 15 years. The role of Principal is complicated and non-stop, and Mrs. Kelly deserves the reward of retirement after 22 years of service so she can spend needed time with her family. I also value the communication skills and heart that Ms. Kelli Grainger has brought to the Assistant Principal role this past year. I am especially grateful for the help she has given to Mrs. Kelly, the teachers and me, and for her many years of dedicated teaching at Queen of Angels. During this uncertain time created by the COVID-19 pandemic, it has been reassuring to have two such capable leaders caring for our school community.

In undertaking the search for a new Principal, I have relied on the wisdom of the Principal Selection Committee: School Board President Morgan Hirst; teachers Ms. Gilloon and Mrs. Rabinak; parents Beth Kraszewski and Christina Tomaso; and parishioner Loretta Namovic. I thank them sincerely for their service, expertise and insight. After many meetings and interviews via Zoom, countless emails and much feedback, the committee made their recommendation, and I hired a Principal. It is my pleasure to announce that the incoming Principal of Queen of Angels School for the 2020-2021 school year will be Ms. Rana Brizgys.

Ms. Brizgys has worked hard to obtain the educational and leadership experience we need to guide our school. She received a Bachelor’s Degree in Psychology from Michigan State University and a Master’s Degree in Education from Roosevelt University. She is nearing completion of her second Master’s Degree in Administration and Supervision for School Leaders through Loyola University. She currently works as a Fifth Grade Teacher at St. Mary of the Woods School in the Wildwood neighborhood, where she will finish out the school year before taking up her post as Principal at Queen of Angels as of July 1. In her current school she is the Unit Leader for the intermediate grades and a mentor to new teachers. She has gained valuable experience with implementation of academic curriculum and positive behavioral intervention supports. She is also state-certified in teacher evaluation. In keeping with what makes Queen of Angels unique and effective as a school, Ms. Brizgys is a champion of differentiated instruction, cooperative learning, technology integration, and inclusive education.

More importantly, Ms. Brizgys exemplifies personal gifts that will help her to be a great leader to our staff and shepherd to our children. She is warm-hearted, organized, and a good listener. She engages with other cultures through travel and is very involved with the Lithuanian-American community to which she belongs.

In the coming weeks, Ms. Brizgys will begin the important process of getting to know the staff through one-on-one Zoom meetings, and opportunities will be given for parents to interact with her virtually as well. This will be a slow process as she must also finish the school year and say goodbye to her beloved students and fellow teachers at St. Mary of the Woods during the same timeframe. I hope you will join with me in celebrating our current leadership and welcoming Ms. Brizgys to Queen of Angels as our incoming Principal.

In this month of May, let us also pray for the intercession of Mary, our Mother and Queen of Angels, for the sake of all those suffering in our world and our city.

May God bless you and all those you love. Please be safe and be assured of my prayers and support.

Monsignor Jim Kaczorowski, Pastor

PRAYER FOR SPIRITUAL COMMUNION for when we cannot receive the Eucharist

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

SPECIAL COLLECTIONS

We are very thankful and appreciative of donations being made during these unprecedented times. Your consistent sacrifice is making a difference and helps us pay the bills that continue to accrue. God bless your generosity, whether you give online via GiveCentral, mail envelopes, or drop gifts in the mailbox. Some Archdiocesan collections may be taken again in the Fall.

May 25 – Memorial Day/Society of St. Vincent dePaul
June 7 – Lyman Scholarship Fund
**GIVECENTRAL MEETS PARISH NEED**
During these unprecedented times, we urge our parishioners to use GiveCentral to support Queen of Angels. The business of the parish continues even if the church remains closed. Thank you to those who have followed this request and, in recent past, made new gifts or continued donations through GiveCentral.

GiveCentral.org is a secure online system where parishioners create individual giving profiles with payment options ranging from direct debit (ACH) to credit cards. Every transaction is securely recorded and saved in your own payment history. Thank you to the increasing number of parishioners now making donations to Queen of Angels through our online donation service. By giving electronically, your regular gifts can be made consistently and easily as you continue to support our Catholic community. Donations can also be made on a one-time basis without creating a profile. It is convenient for parishioners, reduces the risks associated with transporting checks or cash, and makes it easier for the parish to budget for the future.

On GiveCentral you can sign up to give separate donations in different events (categories or buckets), similar to using different envelopes for second collections. Once you locate Queen of Angels on the GiveCentral.org website, choose Sunday Collection or click “View More” to find these additional events:
- **Sharing Parish – BVM:** Benefits our sister church in the Sharing program, Maternity BVM in Humboldt Park.
- **St. Vincent de Paul Donation:** Normally at the holiday Mass on Memorial Day and other national holidays, for the needs of the poor in our community.
- **Catholic Charities (May):** Aids the efforts of Catholic social service ministries to help women, children and families in need in Cook and Lake Counties.
- **Lyman Fund Donation:** Enables children to remain in our parish school during a parent’s financial hardship.
- **Special Mass Intention:** Remember a loved one, living or deceased, at a weekday or Sunday Mass. Monsignor Jim continues to celebrate Mass privately each day for all requested intentions while the churches are closed to the public. The suggested donation is $10 per Mass. Once you have donated, please also send an email to parish@queenofangelschicago.org with specifics on your intention request(s) including name(s) and date(s). No matter how you choose to support the parish, thank you for your continuing participation in our mission.

**LEARNING CONTINUES FROM HOME**
Though the governor has extended the stay-at-home order through May 30 and announced that all Illinois schools will remain closed for the remainder of the school year, Queen of Angels School continues with distance learning from home. Teachers have moved lessons online and created digital spaces to interact with their students, and families are adapting to continue instruction at home as best they can. Classes have not been able to meet in person at the school since Friday, March 13, and the final instructional day of the school year will be on Friday, June 4. Please visit the school’s Facebook page for daily video prayers, tributes to the graduating Eighth Graders, and more at facebook.com/Queen-of-Angels-School-77467313549/.

THE PLAN TO RE-OPEN CHURCHES

The Archdiocese of Chicago, in cooperation with other dioceses in Illinois and with local government and public health officials, has developed a multi-phased plan for reopening churches and resuming public participation in the sacramental life of the Catholic Church in Illinois. An Executive Summary and the full plan are available on the archdiocesan website, archchicago.org/coronavirus/reopening. Four guiding principles undergird the plan:

1. Everything possible should be done to provide people the solace of the Church’s sacramental life in a timely and reasonable way.
2. The current situation in Illinois remains dangerous and fragile. While much has been achieved, these gains could be lost by a second, more virulent wave.
3. Trust needs to be established that the top priority is the safety and wellbeing of people. We cannot assume that people will return because churches are reopened.
4. Calling people to exercise faithful citizenship will be key. Each Catholic will need to take responsibility for the common good and their own safety.

With this in mind, the plan envisions a set of required measures and phases to prudently and gradually resume use of our church buildings. The basics are:

- A robust communications effort to inform parishes and parishioners of the plan and any updates to it.
- Each parish needs to recruit non-vulnerable volunteers at the parish level to help the Pastor in implementation. Please contact the parish office if you are under 60, in good health, and would like to volunteer.
- The selected volunteers are to complete training via a webinar. This training began the week of May 18. Several volunteers from Queen of Angels have already received the basic training, and Monsignor Jim received a more in-depth training on suggested changes to sacramental practices.
- A required certification of readiness to reopen will be required of each parish at each phase. Each parish is to complete an implementation template confirming completion of all action steps and showing that there are sufficient trained volunteers to execute it. We hope that our parish will be ready for Phase I in a few weeks.
- Phase I allows for Baptisms, Reconciliation, Weddings and Funerals with a firm limit of 10 attendees. This week our parish staff will be calling families who have Baptisms scheduled this summer to see if they would like to go ahead with their dates or to reschedule.
- Phase IA allows for private prayer and Adoration with a firm limit of 10 attendees.
- Phase II allows for reopening for weekday and weekend Masses for larger groups depending on the guidelines from the state and the capacity of the church. Through ongoing discussions with pastors, health care professionals and civil authorities, there will be a review of the plan at each stage to make adjustments in accord with new data.

EL PLAN PARA REABRIR LA IGLESIA

La Arquidiócesis de Chicago, en cooperación con otras diócesis y con los funcionarios del gobierno local y de salud pública, ha desarrollado un plan en múltiples fases para reabrir las iglesias y reanudar la participación pública en la vida sacramental de la Iglesia católica de Illinois. Un Resumen Ejecutivo y el plan completo están disponibles al archchicago.org/coronavirus/reopening.

Cuatro principios orientadores sostienen el plan:

1. Se debe hacer todo lo posible para ofrecer a las personas el consuelo de la vida sacramental de la iglesia de una manera oportuna y razonable.
2. La situación actual en Illinois sigue siendo peligrosa y frágil. Aunque se ha logrado mucho, estas ganancias se pierdan por una segunda ola más virulenta.
3. Se necesita establecer la confianza que la prioridad es la seguridad y bienestar de la gente. No podemos asumir que regresarán cuando iglesias están abiertas.
4. Llamar a las personas a ejercer ciudadanía fiel será clave. Cada católico asume la co-responsabilidad por el bien común y su propia seguridad.

Con estos en mente, el Plan prevé medidas requeridas y fases para reanudar de manera prudente y gradual el uso de nuestras iglesias. Los elementos básicos del plan son:

- Un robusto esfuerzo de comunicaciones para informar a las feligreses del plan y las actualizaciones de este.
- Cada parroquia necesita reclutar voluntarios no vulnerables para asistir en la implementación del plan. Por favor contacte la oficina si Ud. es menor de 60 años, en buena salud, y le gustaría ser voluntario.
- Los voluntarios deben completar una capacitación a través de un seminario en línea. Esta capacitación comenzó la semana del 18 de mayo. Varios voluntarios de Reina de los Ángeles ya han recibido la capacitación básica, y Monseñor Jim recibió una capacitación más profunda sobre cambios en las prácticas sacramentales.
- Una certificación requerida de preparación para reabrir se requerirá de cada parroquia en cada fase, a través de un formulario de implementación confirmando la realización completa de todos los pasos y que hay voluntarios capacitados para ejecutarlos. En unas semanas esperamos estar listos para la Fase I.
- Fase I permite a las parroquias reabrir para Bautismos, Reconciliación, Bodas y Exequias con un límite de 10 asistentes. Esta semana nuestro personal llamará a las familias que habrían celebrado Bautismos este verano para preguntar si les gustaría continuar o reprogramar.
- Fase IA permite a las parroquias reabrir para adoración y oración privada con un límite de 10 asistentes.
- Fase II permite la reapertura para misas públicas para grupos más grandes dependiendo de los lineamientos del estado y la capacidad del edificio. Mediante discusiones continuas con los párrrocos, profesionales del cuidado de la salud y autoridades civiles, habrá una revisión del plan en cada etapa a hacer ajustes de acuerdo con los datos nuevos.
