

Reception of the Eucharist

TASK #1

Queueing Worshipers

Step 1: Ushers move to the end of each pew and direct worshipers to the next available social distancing marker in the aisle.

TASK #2

Reception of the Eucharist

Step 1: When instructed to do so, the worshiper receives hand disinfectant for disinfection.

Note: For the safety of both worshipers and priests, all worshipers receiving the Eucharist must have their hands disinfected prior to doing so.

Step 2: Remaining in their masks or face coverings, worshiper steps forward to receive the Eucharist in his or her non-dominant hand.

Note: Priests are only permitted to distribute the Eucharist into the hand of worshipers.

Step 3: After receiving the Eucharist, the worshiper moves to left/right to the next social distancing marker.

Step 4: Using his or her other hand, the worshiper removes one side of his or her mask or face shield.

Step 5: Worshiper places Eucharist in his or her mouth.

Step 6: Worshiper replaces mask or face covering.

Step 7: Usher directs Worshiper back to his or her original pew or seat.

Step 8: Worshiper returns to seat.
