Our Lady of Guadalupe

Feast Day: December 12

We celebrate times when Our Mother Mary has come to visit her children on earth. Mary appeared to a man named Juan Diego and told him to ask the bishop to build a church for her. As a sign, she sent Juan to pick some roses, even though it was winter. But Juan found the roses, wrapped them up in his cloak, and brought them to the bishop. When Juan and the bishop unrolled the cloak, they found another surprise: a beautiful picture of Mary!

Prayer

Holy Mary, you gave us your likeness at Guadalupe. May God stamp your beauty on our hearts as a sign to all who believe in Jesus Christ. Amen.
